

Pre-fabricated shower SENIOR
with entry assistance and bench
(Art.-Nr. 410.99.N und 960)

■ Pre-fabricated shower SENIOR

The Grumbach pre-fabricated shower SENIOR is equipped with the latest anodized, assymetrical wing doors made of artificial glass.

Inside the shower cabinet, the bench and the thermostatic fitting provide a comfortable showering experience. The low access height into the 90 x 90cm shower tray is only 17cm high! Access can be made even easier by fitting a support rail (Art.-Nr. 960).

Even the extra external 30 litre hot water tank can be fitted to the high-quality pre-fabricated shower SENIOR.
